

## **IQAC Annual Report for the Academic Year 2016-17**

- 1) The IQAC members met on 10<sup>th</sup> September 2016 and 16<sup>th</sup> February 2017 and welcome our new Principal, Fr. (Dr.) Jeronimo D'Silva
- 2) IQAC members discussed the following issues and also implemented the following action.
- 3) The deficiencies which were noted by the NAAC Peer team were already looked into by the respective teachers and departments in detail and the respective teachers were already working on them in order to overcome the deficiencies. The action taken up was:  
The various suggestions to adhere to the recommendation and deficiencies given by the NAAC were done in consultation with the teachers and members and hence, this year, Practical Oriented training which included field trips and the teachers should be compulsory accompanying the students for safety of all and to cater to their needs was done.
- 4) The other initiatives action taken from this year onwards was Quality based Seminars. Moreover these Seminars were inter disciplinary and also inter departmental.
- 5) This academic year, compulsory skill based workshops had been conducted by each and every department.
- 6) Dr. Oscar mentioned that for this academic year, a number of students of B.Com had been working with Chartered Accountants as training to gain knowledge and experience during their free time. He also mentioned that this year a large no of students had taken up the job trainings.
- 7) The Principal also told the members to make sure to revive back the "My job My hobby programme" as it benefits the students largely to get inspired & motivated to do their best and all teachers had conducted the same.

The Principal had advised to the teachers and members to start new certificated / diploma / short term courses / bridged courses / summer courses with full enthusiasm so as to benefit students & society and the teachers have conducted the same this year.

The Principal had also told the members and teachers to complete their PhD, which would help with regards to the Research Centre coming up and many teachers had taken up to do their PhD this year.

The talk / programme / resource person / venue, time & teams to prepare for the IQAC programme which is conducted annually was discussed and the programme titled “Seven habits of highly effective Professor” was organized by the IQAC team on 5<sup>th</sup> & 6<sup>th</sup> April 2017 for teaching and the non teaching staff.
