

ST. XAVIER'S COLLEGE, MAPUSA GOA

College with Potential for Excellence
 Re accredited by NAAC with A Grade
 Awarded DBT STAR College Scheme

Nature of Event (Workshop, Guest Lecture, Addon Course, Seminar, etc.)	Out reach Programme
Name of Department	Microbiology Department
Faculty Incharge	Ms. Arina Frank
Stratum of Event (College, State, Regional, National)	College
Title of Event	Hands on training in fermentation technology
Date of Event	31-3 2022
Venue	Microbiology Laboratory, St. Xavier's College, Mapusa
Resource Person details	Ms. Arina Frank
Objective/ Scope of Event	To create entrepreneurial opportunities for students and general public by imparting hands-on training to the participants on how to make wine at home
Particulars of Event	The community of local participants from around Mapusa were educated on the industrial processes involved in preparation, fermentation and ageing of wine, and had 'hands- on' experience in preparing their own wine. Locally available fruits were processed into a value-added product. Participants were also given an insight into designing a wine label. A portion of the wine was aliquoted for their families to taste. There was a positive feed back of the session, and participants who fermented wine at home brought samples of the ready product for sampling.
Outcome of Event	Wine was prepared on a small scale
Feedback	Good
Total No. of Participants	11
