| Name of Department | Microbiology Department |
| Faculty Incharge | Ms. Arina Frank & Dr. Sherryanne Velho Pereira |
| Stratum of Event (College, State, Regional, National) | College |
| Title of Event | Entrepreneurship development programme- Wine making |
| Date of Event | 31-3 2022 |
| Venue | Microbiology Laboratory, St. Xavier's College, Mapusa |
| Resource Person details | Dr. Sherryanne Velho Pereira & Ms. Arina Frank |
| Objective/ Scope of Event | To create entrepreneurial opportunities for students by imparting hands-on training on how to make wine at home |
| Particulars of Event | The students were educated on the industrial processes involved in preparation, fermentation and ageing of wine, and had 'hands-on' experience in preparing their own wine. Locally available fruits were processed into a value-added product. Students were aliquoted a portion of the wine for their families to taste. |
| Outcome of Event | Students were able to make wine on a small scale. |
| Feedback | Good |
| Total No. of Participants | 11 |
