Faculty In-Charge	Ms. Anabel Alphonso
Stratum of Event (College, State, Regional, National)	College
Title of Event	Field Trip to CIBA
Date of Event	6 th April 2022
Venue	CIBA (Centre for Incubation and Business Acceleration), Assagao
Resource Person details	Mr. Sanjay Mulri, Head of the Seed fund and incubation.
Objective/ Scope of Event	To get to know how this incubation centre helps entrepreneurs with their start-ups, what are the facilities provided by them and learn about components of a business plan.
Particulars of Event	<p>On 6th April 2022, 18 students with 2 teachers of St. Xavier's College went for a trip to CIBA (Centre for Incubation and Business Acceleration) with an aim to find out about how they help entrepreneurs with their start-ups and what is a business plan.</p> <p>The speaker for the day was Mr. Sanjay Mulri who is the head of the Seed fund and incubation. He presented the students with a presentation describing their technological business incubators which is based in Goa and Mumbai that supports and nurtures the start-ups companies by providing services such as incubation, modern office spaces, mentoring, networking opportunities, seed funding and rapid prototyping. He informed the students about various start-ups like Spintly, Protinum that received huge amount of funding and grants with their help. They also provide legal compliance and product development consultancy.</p>

	<p>The second session was about formulation of a business plan, he explained the business model canvas which consisted of 9 segments. At the end of the session, he gave the students a small activity to propose a business plan. Through these sessions they learnt about the various aspects of the start-ups that were managed by them.</p>
Outcome of Event	<p>The students learnt about the various steps involved in receiving funding and product development which would help students to apply in future for those who are interested in starting up some business.</p>
Feedback	<p>Good. Field trip was informative.</p>
