

Healthcare Sector

Health and Medical Education is important to bring improvement in the health system and the health status of people especially those living in rural areas of the country. Healthcare not only focuses on medication but also a healthy living by intake of nutritious food and exercising. Having access to pure and safe food is a human right therefore, healthcare is not only about curing the disease but also how to avoid diseases in the first place. The main mission is to empower people through effective mechanism of various government and private bodies working for improvement in healthcare System of the nation.

Government of India has taken various initiatives like Ayushman Bharat scheme, the National Digital Health Mission and other initiatives for the production and manufacturing of devices and pharmaceuticals which are strengthening the healthcare sector of the country.

Skill Training & Skill Development

A job portal called "MSME SAMPARK" has been launched by the Hon'ble President of India. This portal is a digital platform wherein and recruiters can register themselves for mutually beneficial interaction.

The Ministry has been organizing a number of skill development programmes/ courses for the existing & potential entrepreneurs, in order to build their capacity. These training courses are as per demands of industry, a pathway to fill up the gap of requirement of skilled workforce in the MSME sector in consonance with the changing landscape of the MSME Ecosystem and its present challenges in India.

Skill training programmes are conducted by a network of institutions under the Ministry i.e. Khadi & Village Industry Commission (KVIC), Coir Board, National Small Industries Corporation Ltd. (NSIC), National Institutes for MSME (NI-MSME) and MSME - Technology Centers (TCs).

Progress of Skill Development Programmes Organizations under the ministry are providing skill training to the youths for wage employment and self-employment. They also provide skill up-gradation trainings to existing entrepreneurs and working force to enhance their performances. These training are provided under various schemes such as MSME-TCs, Assistance to Training Institutions (ATI), National SC/ST Hub, Capacity Building, Coir Vikas Yojna- Skill Up gradation & Mahila Coir Yojna, etc. Furthermore, customized demand-driven training courses as per industry requirements are also conducted by organizations under the Ministry.
