To
The Vice- Chancellors of all Universities
The Principals of all Colleges

Ref: Circular issued by UGC dt 19 Feb 2024 (D.O. No.: 1-1/2023 (Environment Education))

Sub: Invitation for participation in 'GREEN Olympiad for Youth (GO4Youth)' – an online Examination

Dear Sir/ Madam,

I am sharing a copy of the UGC circular regarding participation of students in GREEN Olympiad4Youth (GO4Youth), conducted by TERI. Participation in this Olympiad is a step towards enhancing awareness about environment issues. Students in the age group of 18 – 25 years and enrolled in Higher Education Institutions (HEIs) in India can register for this MCQ-based online examination. The content of the examination is aligned with the curriculum framework for Environment Education at Undergraduate program (announced by UGC). Students can opt for appearing in the Olympiad either in English or Hindi. A detailed tutorial outlining a step-by-step registration process is available in English (<https://youtu.be/tEH57vlvVHY>) and Hindi (<https://youtu.be/sCiB5zM3JGk>).

All participants will receive e-Certificates endorsed by UGC, MoE, MoEFCC and TERI. Cash awards and other incentives will also be given to top-performing students.

We request you to kindly share this information with students enrolled in your institution and display the poster in prominent locations in the campus to enable a larger participation. Registration deadline is February 25, 2024. Post registration, online sessions will also be held to prepare students for the Olympiad.

For further queries, kindly contact the undersigned at go4youth@teri.res.in, and also check <https://go4youth.com> for registration and updates.

We look forward to an active participation from your institution in this Olympiad.

With kind regards,

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Livleen Kahlon'.
