Nature of Event (Workshop, Guest Lecture, Add-on Course, Seminar, etc.)	Student Activity
Name of Department	Microbiology
Faculty In-charge	Dr. Trelita de Sousa
Stratum of Event (College, State, Regional, National)	College
Title of Event	Competition on fermented foods "MicroChef 2022 – Brewing up a Storm!"
Date of the Event	15 th October, 2022
Venue	Seminar Hall, St. Xavier's College, Mapusa
Resource Person details	Not Applicable
Objective/ Scope of Event	To help students understand the benefits of consuming fermented foods and showcase their creativity in terms of the preparation and presentation of various fermented foods
Particulars of Event	In commemoration of World Food Day, the participants prepared and presented an array of delicious food and drink, from traditional dishes to exotic ones, savoury to sweet, hot and spicy to cool and refreshing! Each participating group was given 5 minutes to introduce their dish, state its benefits, display a video of its preparation, and present the final dish to the judges for tasting. The dish was judged on taste, presentation, and creativity.
Outcome of Event	Students were able to better understand the preparation and benefits of various traditional and exotic fermented foods, tap their culinary potential, and showcase the scientific knowledge acquired.
Feedback	Enjoyable and fun-filled learning experience
Total No. of Participants	59
