Nature of Event (Workshop, Guest Lecture, Add-on Course, Seminar, etc.)	Field Trip
Name of Department	Botany
Faculty Incharge	Dr. Harshala Shetgaokar
Stratum of Event (College, State, Regional, National)	College
Title of Event	Field trip to Cazcar Distillery, Nanora, Goa
Date of Event	27 th March 2024
Venue	Cazcar Distillery, Nanora, Goa.
Resource Person details	Ms. Sabina Dias, Dr. Harshala Shetgaokar and Dr. Suraksha Dongrekar
Objective/Scope of Event	To familiarize students of Skill Enhancement Course (BOT-142: Fruit and Vegetable Processing) with the procedure involved in distillation of alcoholic beverage 'Feni' from cashew apple using distillation processing units.
Particulars of Event	Students were shown video on distillation process (collection of fruits till the production of alcohol) and thereafter taken around by the owner to show cashew apple crusher, juice storage tanks, electric distillation unit and traditional distillation unit using which alcoholic drink 'Plain Feni' and 'Masala Feni' is distilled. Students also got opportunity to see the process of bottling and packaging.
Outcome of Event	Students could recall the process involved in the distillation of alcoholic drink 'Feni' distilled from the cashew apple. The knowledge they gained could be applied in setting up distillery and becoming the small scale entrepreneurs.
Feedback	Students were delighted to visit the distillery as they got opportunity to see the entire process involved in distillation of alcoholic beverage distilled from cashew apple.
