|---|---|
| **Nature of Event** (Workshop, Guest Lecture, Add-on Course, Seminar, etc.) | Field Trip (Lecture) |
| **Name of Department** | Computer Science |
| **Faculty In-Charge** | Mr. Parmanand Mandrekar |
| **Stratum of Event** (College, State, Regional, National) | College |
| **Title of Event** | Lecture session on "Avenues at Goa Institute of Management" , Visit to Data Analytics Lab, Atal Incubation Centre, Library of Goa Institute of Management |
| **Date of Event** | 3rd April, 2023 |
| **Venue** | Goa Institute of Management |
| **Resource Person details** | Prof. Vittal Sukhtankar, Senior Faculty, Goa Institute of Management |
| **Objective/Scope of Event** | Create awareness on avenues for postgraduate education and to know about the vibrant learning environment at Goa Institute of Management |
| **Particulars of Event** | A group of 17 students of T.Y.B.Sc accompanied by faculty members Mr. Parmanand Mandrekar, Mr. Edwin D'Souza visited the Goa Institute of Management, Sanquelim Campus on 3rd April, 2023.<br><br>The campus of the Goa Institute of Management is located in a picturesque location in the foothills of the Western Ghats. We were welcomed at Goa Institute of Management by Prof. Vittal Sukhtankar, Senior faculty of the Computer Science Department, who guided us through various facilities at the institute. We started with a comprehensive lecture session by Prof. Sukhtankar on "Avenues in Higher Education at Goa Institute of Management" where he told on the humble beginning of GIMs and the strides GIMs has made to become one of the best Management institute in India. He described the programmes offered at GIMs, the admission procedure for the programmes. |

|---|---|
| | Next we visited the Library we were shown around the different sections of the library. Prof. Sukhtankar demonstrated how the issue of resources can be done by staff and students on their own, not requiring library staff. The librarian provided us with an overview of the different resources available in the library. The library at GIM provides students and faculty with access to a range of resources and services, including books, e-books, databases, and research papers.<br><br>Our next visit was to the Data Analytics Laboratory which is equipped with state-of-the-art technology and resources. The laboratory provides students with opportunities to learn and develop their skills in the field of data analytics, and is actively engaged in research in this area. The laboratory is also equipped with a range of data sources, including data sets from industry, government, and academic research.<br><br>The next visit was to the Atal Incubation Centre housed at Goa Institute of Management, the only Atal centre in Goa. Prof. Sukhtankar showed the range of facilities, including office space, meeting rooms, conference rooms, and a makerspace equipped with tools and equipment for prototyping and product development. He explained the access to funding opportunities, networking events, and training programs done by the centre to help the startups to grow and scale their businesses.<br><br>Finally we were at the amphitheater, a popular spot for students to take photographs due to its picturesque location and stunning views. The amphitheater is an open-air space with tiered seating that overlooks the beautiful valley and river below. It provides a perfect backdrop for photographs. We clicked memorable group photos at the amphitheater. |
| **Outcome of Event** | Overall, the visit to Goa Institute of Management provided us with a glimpse into a dynamic and vibrant learning environment that fosters academic excellence, personal growth, and professional success at GIM |
| **Feedback** | Good. |
