

ST. XAVIER'S COLLEGE, MAPUSA GOA

College with Potential for Excellence

Re-accredited by NAAC with A Grade

Awarded DBT STAR College Scheme

Nature of Event (Workshop, Guest Lecture, Add on Course, Seminar, etc.)	Student Activity
Name of Department	Microbiology
Faculty In-charge	Dr. Valerie Gonsalves
Stratum of Event (College, State, Regional, National)	College
Title of Event	Educational Trip to District Hospital, Mapusa Goa
Venue	District Hospital, Mapusa Goa
Date of Event	20 th and 21 st March 2024
Resource Person details	Dr. Priyanka
Objective/ Scope of Event	To provide students with valuable insights into various techniques and protocols used in healthcare settings
Particulars of Event	<p>On the 20th and 21st March 2024, the Department of Microbiology, St. Xavier's College Mapusa -Goa organised an educational visit to the District Hospital in Mapusa, Goa. A total of 35 students of Third Year Microbiology were taken for the trip; they were divided in two batches and taken over the two days. The students were attended to by Dr. Priyanka who graciously guided the students through the hospital's pathology laboratory. The students were also made aware of the Laboratory Information Management System (LIMS), an advanced software used to manage patient information and tests, which ensures timely and accurate communication of diagnostic findings. Dr. Priyanka emphasized the stringent biomedical waste management practices followed by the hospital; she elaborated on the protocols followed for treatment and disposal of different types of wastes. The students were taken through various sections of the Pathology lab where they were shown automated fluid analyzer and a thermocycler, both essential tools for diagnostic purposes in microbiology.</p>
Outcome of Event	Deepened the understanding of the applications of microbiology in healthcare and provided first-hand insights in the working of pathology lab in a hospital setting.
