<b>Faculty In-charge</b>	Dr. Teotone Vaz
<b>Stratum of Event</b> (College, State, Regional, National)	College
<b>Title of Event</b>	Meet the Industry Scholar
<b>Date of Event</b>	23 <sup>rd</sup> April 2022
<b>Venue</b>	Class Room No. 217
<b>Resource Person details</b>	Mr. Vishal Thakare, Senior Quality Assurance Manager, Centaur Pharmaceuticals, Tuem, Pernem
<b>Objective/Scope of Event</b>	To motivate current students with the achievements of our very own student who has excelled with his hard work and gainfully employed with reasonably good salary in the Pharmaceutical Industry
<b>Particulars of Event</b>	Mr. Vishal Thakare, an alumnus of 2014 batch of the department gave a power point presentation explaining various sections of pharmaceutical company and the manpower requirement at different level, their job profiles etc. He also urged the students to continue their Masters programme. Mr. Vishal, gave a brief glimpse of his own Career journey, explained the various exhaustive career options available to BSc Chemistry students in present days and finally concluded his interaction discussing etc. Further, he impressed the students on how he generated interest in Analytical Chemistry. He always dreamt and wanted to operate instruments. As there was no such programme available in the state, he took a challenge and joined that programme at Pune University. He got exposure to different sophisticated instrument only available over there, which provides hands-on experience to the users. He stood 2 <sup>nd</sup> for the M. Sc. Programme and was selected in a campus placement as a Trainee Research Associate at Lupin Research Park, Pune. Mr. Vishal then moved in Goa and got appointed at Glenmark Pharmaceutical Pvt. Ltd. as IPQA officer for 01 year. Since then he is working as Senior QC Manager at Centaur Pharmaceuticals Pvt. Ltd. at Tuem, Pernem. Mr. Vishal stressed on the need to do the career planning and

	suggested TY BSc Chemistry will be a good option. On Career Opportunity, Mr. Vishal informed that the pharmaceutical segment has established its presence in Goa and received approvals regulated bodies like US FDA, UK MHRA etc. and there are 22 big pharma manufacturing industries. Mr. Vishal finally explained the functions of the internal departments of pharmaceutical company mainly Production, Materials, Quality control, Maintenance and HR dept. And the manpower requirement at different level, their job profiles etc.
<b>Outcome of Event</b>	Raised level of motivation and set an urge to achieve better in life.
<b>Feedback</b>	Very Informative & Useful session
<b>Total No. of Participants</b>	58
