

ST. XAVIER'S COLLEGE, MAPUSA GOA

College with Potential for Excellence
Re accredited by NAAC with A Grade
Awarded DBT STAR College Scheme

Nature of Event (Workshop, Guest Lecture, Add on Course, Seminar, etc.)	Guest Lecture
Name of Department	Chemistry
Faculty Incharge	Mr. Mahesh Nair
Stratum of Event (College, State, Regional, National)	College
Title of Event	Career Prospects in Chemistry
Date of Event	27 th January 2023
Venue	Seminar Hall, St. Xavier's College Mapusa
Resource Person details	Mr. Sagar Desai, Senior General Manager, Camlin Fine Sciences Ltd.
Objective/ Scope of Event	Career opportunities/Avenues in the field of Chemistry
Particulars of Event	The guest lecture was held for students of FYBSc. The resource person shared his vast knowledge and gave an insight into career options in the field of Chemistry available within and out of India. He suggested that while pursuing degrees in BSc., MSc., MS and PhD having additional qualifications such as an MBA or Executive MBA would further improve employability. Encouraging students to make the best use of their time by developing additional hard and soft skills which would give them an edge in the competitive world he was of the opinion that there was no substitute to hard work. He also recommended learning a new language and reading books for self-improvement. Speaking about multiple intelligences and the Japanese concept of Ikigai he opined that it was very important to explore strengths and weaknesses which would ultimately help one achieve the goal of pursuing a career that led to a life of happiness and fulfilment.
Outcome of Event	Students gained an insight into the employment scenario at various stages of completion of education which would help them make a suitable career choice.
Feedback	Good. Students asked clarifications and also interacted at length with the resource person post the lecture session.

Total No. of Participants	102
