INAUGURAL PROGRAMME – DBT STAR COLLEGE SCHEME

St. Xavier's College, Goa launched the DBT Star College Scheme on 10th January, 2022 via an online programme on Google Meet. The Chief Guest of the Inaugural Programme was The Registrar of Goa University, Prof. V.S. Nadkarni. The Guests of Honour at the ceremony were Dr. Garima Gupta (Scientist E, Programme Officer, DBT Star College Scheme), Dr. V. Arunachalam (Principal Scientist – Horticulture, ICAR, Goa), and Dr. Nandini Fernandes (Associate Professor, Dean of Life Sciences, Head of Zoology, Programme Coordinator, DBT Star College, Chowgule College, Goa). The audience were welcomed by The Administrator of St. Xavier's College, Rev. Fr. Antonio Salema and The Principal, Prof. Blanche Mascarenhas.

Dr. Trelita de Sousa (Programme Coordinator, DBT Star College, St. Xavier's College) introduced the Star College Scheme to the audience, explaining the objectives, terms and conditions, and work plan of the scheme. The programme was followed by an online interdisciplinary workshop on Biosafety and Laboratory Waste Management organised by the Departments of Biotechnology, Botany, Chemistry, Computer Science, Electronics, Mathematics, Microbiology, and Physics. The workshop comprised three technical sessions: Segregation and Safe Disposal of Chemical Waste; Segration and Safe Disposal of e waste; and Biosafety Ethics for Humans and Animals.

Jocelyn Fernandes is presenting
'Biosafety'- to protect human and animal health and environment from the possible adverse effects of the products of modern biotechnology.
These prevention mechanisms include conduction of regular reviews of the biosafety in laboratory settings, as well as strict guidelines to follow.
It defines the containment conditions under which infectious agents can be safely manipulated.
