Report	<p>Themes:</p> <ol style="list-style-type: none">1. Reduce, Recycle & Reuse2. Ecotourism3. Sustainable Development4. E-waste Management5. Biodiversity Conservation6. Water Conservation <p>Overview:</p> <p>On the 15th of August 2024, the self-financed undergraduate departments of St. Xavier's College, Mapusa, Goa, organized a poster competition as part of the college's Independence Day celebrations. The competition aimed to raise awareness about various environmental issues and promote sustainable practices among the student community.</p> <p>Participation:</p> <p>The event saw enthusiastic participation from students across various courses. A total of 18 teams, each consisting of five members, were expected to participate, representing departments such as BBA,</p>

BBA(T&T), BCA, BioTech, Mass Communication, and Journalism. However, on the day of the competition, 16 teams successfully displayed their posters, showcasing their creativity and commitment to the themes.

Themes and Display:

The themes for the competition were carefully selected to highlight critical environmental and sustainability issues:

1. **Reduce, Recycle & Reuse** - Encouraging practices that minimize waste and promote recycling and reusing materials.
2. **Ecotourism** - Focusing on sustainable travel that benefits local communities and conserves the environment.
3. **Sustainable Development** - Addressing the need for development that meets the needs of the present without compromising the ability of future generations to meet their own needs.
4. **E-waste Management** - Highlighting the importance of properly disposing of electronic waste to prevent environmental harm.
5. **Biodiversity Conservation** - Emphasizing the protection of the diverse species of plants and animals that share our planet.
6. **Water Conservation** - Raising awareness about the necessity of conserving water for the sustainability of life on Earth.

The posters created by the students were vibrant, colorful, and full of creative expressions that vividly captured their perspectives on these critical issues. Each poster conveyed a deep understanding of the current environmental situation and the urgent need for change. The artwork and accompanying messages were a testament to the students' awareness and passion for creating a better future.

Judging and Awards:

The judging of the posters took place immediately after the Independence Day celebrations. Students showcased their understanding and commitment to environmental sustainability through various forms of expression, including art, words, song, and poetry. This added a multidimensional aspect to the competition, elevating the overall experience.

The winners for each category were announced at the end of the event. The judges, alongside the principal, administrators, faculty members, and parents, appreciated the hard work and creativity displayed by all participants. The winners for each category were:

1. **Reduce, Recycle & Reuse:** Second Year Journalism
2. **Ecotourism:** First Year BBA (T&T)
3. **Sustainable Development:** Second Year BBA
4. **E-waste Management:** Second Year BCA
5. **Biodiversity Conservation:** First Year BioTech
6. **Water Conservation:** First Year Mass Communication

	<p>Conclusion:</p> <p>The poster competition was a resounding success, showcasing the talent, creativity, and environmental consciousness of the students at St. Xavier's College. It served as a platform for students to express their thoughts and concerns about critical environmental issues, demonstrating their commitment to sustainability. The event not only celebrated the spirit of Independence Day but also emphasized the importance of taking proactive steps towards protecting our planet for future generations.</p> <p>The college looks forward to organizing more such events in the future to continue fostering a culture of environmental awareness and responsibility among its students.</p>
