Resource Person details	Seven guest speakers -Dr Dilecta D'Costa, the Chief Guest, Dr Lakshangy Charya, Ms. Nina Figueiredo, Ms. Cristabelle Lobo, Mr. Adarsh Shettigar, Ms. Natasha Barnes and Ms. Ana Pereira
Objective/ Scope of Event	To provide the students with valuable insights and career paths by alumni of St. Xavier's College, Mapusa
Particulars of Event	<p>On Saturday, the 9th of September, 2023, the Department of Microbiology of St. Xavier's College, Mapusa headed by Ms. Ursula Baretto held a panel discussion titled 'Micro Conversations' wherein the microbiology students of FY, SY and TY were in attendance.</p> <p>The seven guest speakers were Dr Dilecta D'Costa, the Chief Guest, Dr Lakshangy Charya, Ms. Nina Figueiredo, Ms. Cristabelle Lobo, Mr. Adarsh Shettigar, Ms. Natasha Barnes and Ms. Ana Pereira. The discussion was moderated by two of the departments very own, Ms. Ruella and Ms. Siddesh Menon.</p> <p>Each of the panelists were alumni from the college and were invited to speak about their success stories in their various fields. The aim of the event was to provide students with guidance in their career path with advice directly from the professionals. Each of the panelists were in different areas of microbiology and its allied fields as professors, research guides, nutritionists, high school teachers, forensic scientists, researchers and laboratory technicians.</p>

	<p>The talk greatly benefitted the students of microbiology in gaining advice and guidance from professionals who once walked in their very footsteps and providing more clarity in their career path. The session was concluded with oral feedback given by two students from the audience.</p>
Outcome of Event	<p>The students of microbiology gained insights from professionals who once walked in their very footsteps. The students were guided and in their career path.</p>
