College with Potential for Excellence

Reaccredited by NAAC with A Grade

Awarded DBT STAR College Scheme

Nature of Event (Workshop, Guest Lecture, Add on Course, Seminar, etc.)	Student Activity
Name of Department	Microbiology
Faculty Incharge	Ms. Arina Frank
Stratum of Event (College, State, Regional, National)	College
Title of Event	Lab-to-Field Study - Preparation of compost and testing its efficacy on kitchen plants
Date of Event	20 th February 2024
Venue	St. Xavier's College
Resource Person details	-
Objective/Scope of Event	The students were required to prepare compost and test their preparations on plants .
Particulars of Event	A total of 65 participants from TYBSc participated in the competition, groupwise, creating 8 different compost samples. Entries were judged based on efficacy of filtration, creativity, originality, wealth to waste incorporation and overall appearance.
Outcome of Event	The activity was a hands-on learning experience for the students. They understood the making of compost and saw its positive effect on growth of kitchen plants.

Feedback	-
Total No .of Participants	66 students of the TYBSc course in Microbiology
