ST. XAVIER'S COLLEGE, MAPUSA GOA

College with Potential for Excellence
Re accredited by NAAC with A Grade
Awarded DBT STAR College Scheme

Nature of Event (Workshop, Guest Lecture, Add On Course, Seminar, etc.)	Mini Research Project
Name of Department	Microbiology
Faculty Incharge	Ms Ursula Barreto
Stratum of Event (College, State, Regional, National, International)	College
Title of Event	Mini Reasearch Project 2022 - *"Nurturing Scientific Curiosity"*
Date of Event	28th February 2022 to 30th June 2022
Venue	Microbiology Laboratory, St. Xavier's College
Resource Person details	Mini Project Guides: Ms Ursula Barreto Dr. Valerie Gonsalves Dr. Trelita de Sousa Ms Nadine de Souza Ms Marilyn Fernandes
Objective/ Scope of Event	To nurture scientific curiosity and scientific temperament. To promote hands on training in basic laboratory techniques. To experiment with the idea of mini research work.
Particulars of Event	Students were given a general orientation and guidance on how to carry out literature survey, identify aproblem, put forth a hypothesis, devise protocols, plan laboratory work, compile results, analyse and infer. Students prepared their own media and requirements, sterilized their own glassware and carried out the practical work as per the protocol. At the end of the laboratory work the students were trained to document their findings.
Outcome of Event	Students teamed up in pairs working on 28 mini projects. Excellent opportunity for hands on experience . Students attempted writing Abstracts and presenting Posters on the work carried out.
Feedback	Satisfying/ fulfilling experience. Suggestions to continue the program.

Total No. of Participants	57
