

PROGRAMME SPECIFIC OUTCOMES

At the end of **B.A Political Science** at St. Xavier's College, Mapusa,
a student will have developed

PSO-1	The students will develop an understanding of the basic concepts, theoretical frameworks, perspectives and methods of inquiry in Political Science and its sub-fields.
PSO-2	The students will develop a deeper understanding of institutions, procedures and decision-making processes of the state and non-state actors at the national and international levels.
PSO-3	Students will be able to demonstrate critical thinking, including the ability to form an argument, comprehend the views of others and at the same time defend their own positions.
PSO-4	Students' familiarity with contemporary political debates and issues will help them analyse political and policy problems and put forth policy solutions to public problems.
PSO-5	The programme content will mould the students into disciplined citizens with a deep respect for democratic institutions and values and encourage them towards self and social advancement. The programme content will equip the students to opt for a career in government.
