

**ST. XAVIER'S COLLEGE, MAPUSA GOA**

**Report of Activity conducted in the Academic Year 2024-25**

<b>Name of Activity</b>	<b>“A workshop on Reference Manager Tools and Software’s in Chemistry”</b>
<b>Date/ Duration</b>	8 <sup>th</sup> October 2024 (2.00 pm to 4.00 pm) & 9 <sup>th</sup> October 2024 (2.00 pm to 4.00 pm) (Total: 4 hours)
<b>Venue</b>	Computer Lab (PG Block-Ground Floor)
<b>Name of organizing Department/Cell</b>	Post Graduate Department of Physical Chemistry, St. Xavier’s College, Mapusa-Goa.
<b>In collaboration with</b>	
<b>Name/s of Faculty Co ordinator</b>	Mrs. Rupali Neje
<b>Stratum of Event</b>	College
<b>Name &amp; details of Resource Person/s if any</b>	Ms. Flavia Travasso, Assistant Professor, St. Xavier’s College, Mapusa-Goa.

<p><b>Report</b></p>	<p>Post Graduate Department of Physical Chemistry organized a workshop on the topic “<b>Reference Manager Tools and Software in Chemistry</b>” on 8<sup>th</sup> and 9<sup>th</sup> October 2024 for the students of M.Sc Part II. The Resource person for the workshop was Ms. Flavia Travasso, Assistant Professor of St. Xavier’s College-Mapusa Goa. The introductory and welcome speech was given by Miss. Chrystal Braganza (M.Sc Part II), and Mrs. Rupali Neje honored the guest by presenting a flower pot.</p> <p>The objective of the workshop was to introduce and explain the benefits of software namely: ‘<b>Mendeley</b>’ and ‘<b>Zotero</b>’ which are considered as important tools in referencing and citing research papers which is the basic requirement in the research/ dissertation work during the academic year. For better understanding of the topic students were given hand on session in the computational lab. Firstly; students were told to register and sign into an account on the mendeley software, then students were guided on how to search and add papers in different ways, one of them was adding an extension of mendeley in the browser, wherein papers were added in one click, this is basically an easier method to search and save a paper.</p> <p>Students were told about the zotero software, wherein she mentioned that this software is easier and well organized software compared to mendeley, which gave more insights on creating a separate</p>
	<p>folder/collections, making it more efficient and less time consuming. On the second day 9<sup>th</sup> October students were given information on ‘<b>ChemSketch</b>’ and ‘<b>ChemDraw</b>’, software which help in drawing organic structures, writing down chemical reactions with an ease which comes in handy for many Researcher’s and students.</p> <p>A total of 19 M.Sc Part II students and 4 faculty members attended the workshop.</p>
