| <b>Report</b>   | <p style="text-align: right;">Report</p> <p>An orientation session was held on 13th August at 11:45am by SANGATH members, Brinda Raikwar and Adarsh Ratnakaran. Dr. Eulalia introduced the speakers to the students from SY and TY psychology. As part of her presentation, Ms Brinda discussed a campaign called STRIDE (Strengthening Teens Resolve in Drug Education). This campaign is based on prevention of substance use and misuse, that Sangath is developing taking into consideration the younger population and through a medium that they would identify the most, that is the social media.</p> <p>In the context of the campaign, they were looking out for students who were creative and had social media skills for slogan and script writing in the context of substance abuse. She then discussed a 2 day workshop that was being planned for those selected for the campaign. More information on the workshop was provided by Mr Adarsh, including eligibility, purpose, date, and time. The speakers then provided a brief explanation of what the participants would be able to accomplish during the workshop.</p> <p>Towards the end students and teachers asked questions about the workshop, asking for details about the process of application for the workshop, how many people can apply, and how long it will last. Bethany Fernandes from SYBA, presented a vote of thanks to the speakers at the end of the session. Around 50 students attended the session. Dr Eulalia Fernandes and Dr Ubaldina Noronha organised the session.</p> |
