The event started with a short Prayer service followed by the lighting of the traditional lamp. The Vice Principal Asst. Prof. Sandra Fernandes honoured the occasion with her presence and congratulated the Department of Sociology for organising the event. She also complimented the students for participating in the Gender Equity Ideathon event, a step towards challenging gender stereotypes. She exemplified the importance of organising reel, poster and photograph competition stating that a reel has the power to spark dialogue in young minds, a poster to shift perceptions, and a photograph to capture the essence of justice and equality paving the way for an equitable society.</p> <p>Ms. Elizabeth Bara, Assistant Professor of Sociology and the co-coordinator of the event explained the difference between gender equality and gender equity. While a number of St. Xavier's students participated in the different competitions and contributed towards the eradication of gender stereotypes, students from different colleges from North and South Goa achieved the same through the inter-collegiate events. The following students were awarded the prizes in the intercollegiate competitions: In Reel Making Competition, Mr. Anijay Prabhu (Chowgule College, Margao) secured the First Place,</p>
