

ST. XAVIER'S COLLEGE, MAPUSA-GOA

Organized by

Department of Microbiology

Under Star DBT College Scheme

Nature of Event (Workshop, Guest Lecture, Add on Course, Seminar, etc.)	Student Activity
Name of Department	Microbiology
Faculty Incharge	Ms. Arina Frank
Stratum of Event (College, State, Regional, National)	College
Title of Event	Analysis of nutritional content in food samples- Hands-on Activity
Date of Event	6 th August 2024
Venue	St. Xavier's College
Resource Person details	Ms. Arina Frank Dr. Trelita D'souza Dr Nadine D'souza Mr. Kamlesh Korgaonkar
Objective/Scope of Event	To identify the presence of proteins, amino acids, and starch in various food samples using simple biochemical tests.
Particulars of Event	Students had to bring different food samples and test them for presence of beneficial nutrients
Outcome of Event	This simple activity helped students understand the biochemical methods used to test for proteins, amino acids, and starch in food samples, reinforcing their theoretical knowledge with practical experience.
Feedback	Good
Total No of Participants	55 students of the S.Y.B.Sc. SEC course in Microbiology
