

ST. XAVIER'S COLLEGE, MAPUSA GOA

Report of Activity conducted in the Academic Year 2024-25

Name of Activity	"Exploring Ideas: A Creative Mind Map Journey"
Date/ Duration	8 th August 2024
Venue	Microbiology Lab 2
Name of organizing Department/Cell	Department of Microbiology.
In collaboration with	In collaboration with MBSI and DBT
Name/s of Faculty Coordinator	Dr. Sheryanne Velho Pereira
Stratum of Event	College
Name & details of Resource Person/s if any	Nil
Report	<p>Objectives:</p> <ol style="list-style-type: none"> 1. <u>Encourage Creative Thinking:</u> Promote creative and out-of-the-box thinking by allowing students to explore and present ideas in a visual and interconnected format. 2. <u>Enhance Learning:</u> Reinforce understanding of complex concepts by breaking them down into simpler components and visual connections. 3. <u>Develop Organizational Skills:</u> Teach students how to organize and structure information logically and coherently. 4. To create a resource that can be used for students who need extra help <p>The mind map competition aimed to enhance understanding of microorganisms and their classification, requiring participants to create original mind maps individually. Judging criteria included creativity, clarity, visual appeal, relevance, and presentation. Awards were given for the top three mind maps, with special recognitions for Most Creative, Most Informative, and Best Visual Design. Judges provided constructive feedback to all participants, and all mind maps were documented for study purposes. The event successfully fostered creative thinking and reinforced the learning of microbiological concepts.</p> <p>Outcome: The competition successfully encouraged creative thinking, reinforced understanding of microorganisms, and improved students'</p>

organizational and presentation skills. The documented mind maps serve as valuable study resources for all participants.

No of participants: 66
