Report	<p>Brief Report: The students and faculty of St. Xavier's College, Mapusa, embarked on an enriching study tour to Bengaluru from November 20th to 24th, 2024. The itinerary included a visit to the Indian Institute of Astrophysics, where they were welcomed by Mr. Vikranth Pulamathi. He provided insights into the institute's research, facilities, and career opportunities in the field of Astrophysics. The group also explored the Visvesvaraya Industrial and Technological Museum, witnessing live models and exhibits that brought scientific concepts to life. In the evening, they visited the Radhakrishna ISKCON Temple in Yeshwantpur, immersing themselves in the city's cultural heritage. The tour also included a visit to the Nehru Planetarium, where students were taken on a virtual journey through space. The experience culminated with their return to Mapusa on November 24th, carrying with them a wealth of knowledge and unforgettable memories.</p> <p>Objective: Institutional visit to gain knowledge, understanding the working of instruments of modern research and career guidance Outcome: Enrichment of the students in enhancing their knowledge and expertise.</p> <p>Beneficiaries: Faculty and Students</p>
