

ST. XAVIER'S COLLEGE, MAPUSA GOA

Report of Activity conducted in the Academic Year 2024-25

| | |
|---|--|
| Name of Activity | Industrial Visit to Vedanta Sesa Goa |
| Date/Duration | 17 th December 2024 |
| Venue | Amona Goa |
| Name of organizing Department/Cell | Department of Chemistry |
| In collaboration with | |
| Name/s of Faculty Coordinator | Mr Clarence Rodrigues |
| Stratum of Event | Field Visit |
| Name & details of Resource Person/s If any | NA |
| Report | <p>26 SY BSc students had an enriching experience to visit the Vedanta Sesa Goa, where they gained valuable insights into the world of mining and mineral processing and power generation. The visit provided an opportunity to explore the advanced processes involved in mineral extraction and understand the sustainability measures implemented by the plant. This hands-on learning experience bridged the gap between theory and practice, helping students see real-world applications of concepts in geology, chemistry, and sustainable development practices.</p> <p>The students were accompanied by faculty Dr. Mira Parmekar and Mr. Clarence Rodrigues. The trip was coordinated by Mr Clarence, under the guidance of Ms. Kathleen Pinto, HoD Chemistry Department</p> |
