

ST. XAVIER'S COLLEGE MAPUSA - GOA

INTERNATIONAL SEMINAR ON

"EXPLORING NEW FRONTIERS IN BIOSCIENCES"

23rd and 24th January 2025

organized by

DEPARTMENTS OF

MICROBIOLOGY & BIOTECHNOLOGY

in collaboration with

MICROBIOLOGISTS' SOCIETY, INDIA (MBSI)

and

INTERNAL QUALITY ASSURANCE CELL (IQAC)

REGISTRATION

UG / PG Students & Research Scholars : INR 500
Faculty/ Industry : INR 1500
International Delegates : USD 30

Participants may register for the seminar via the following link:

<https://forms.gle/S4oaQVpVe6FAMswt5>

Registration fee to be paid via NEFT in favour of
The Principal, St. Xavier's College

Bank: Central Bank of India
Branch: St. Xavier's College, Mapusa, Goa
Account number: 1683133661
IFSC code: CBIN0284049

ABOUT ST. XAVIER'S COLLEGE, GOA

In recent years, India has won worldwide acclaim for her rapid strides in innovative research and continues to rise as a global science and technology powerhouse with groundbreaking advancements and innovations in biotechnology, artificial intelligence, space exploration, and renewable energy. Goa, the smallest state of India, located on the West Coast of India, is a frontrunner in the achievement of the Sustainable Development Goals. Through the strategic integration of trailblazing solutions, Goa not only preserves her immaculate beauty and cultural heritage but also nurtures economic prosperity and well-being.

Situated atop the scenic Mapusa hillock and spanning 24 acres, St. Xavier's College, established in 1963 by the Archdiocese of Goa and Daman, is among the oldest and largest colleges in Goa. Affiliated to Goa University, it is a premier institute of higher education in the country and was the first college to receive the prestigious "College with Potential for Excellence" status by the UGC in 2004, among 47 colleges in India. Reaccredited by NAAC in its 4th cycle with an A grade, the college continues to uphold its tradition of excellence. In 2021, St. Xavier's College was awarded the DBT Star College Scheme. The Departments of Microbiology and Biotechnology actively foster academic excellence by providing students with a plethora of opportunities for their holistic development.

ABOUT THE SEMINAR

The complexity of biology is both intriguing and unpredictable and motivates academicians and scientists worldwide to seek new frontiers in biosciences. This seminar aims to provide a comprehensive platform for engaging with eminent resource persons to discuss emerging trends, innovative breakthroughs, cutting-edge technologies, and interdisciplinary approaches in science and technology. It will be an excellent opportunity for faculty and students to network, exchange ideas, and foster collaborations that push the boundaries of scientific exploration in the quest for a sustainable future in biosciences.

TRAVEL & ACCOMODATION

St. Xavier's College, Mapusa is located around 20 km and 60 km from Mopa Airport and Dabolim Airport, respectively. The College Campus is 9 km from Tivim railway station by road. Accommodation is available at the following hotels
