It is a pioneering outreach initiative of Citi-(CSMVS) aimed at reaching history and art to diverse audiences. This event aimed to create a distinct experience by bringing the mobile museum directly to college students and staff. The exhibits combined history, culture and contemporary art. The focus of the exhibition was on origami art, a form of paper folding that has its origins in Japan but has been adapted around the world. The display showcased how this intricate and expressive art form can reflect Indian art expressions through paper. The Museum was visited by nearly 400 students and staff. The activity was coordinated by Mr. Pratap Patil of Citi-CSMVS, Mumbai.</p>
