Report	<p>The department of BCA of St. Xavier's College organized a career guidance session by Mr. Snehal Sham Harmalkar, a distinguished speaker, to provide insights into career opportunities after BCA (Bachelor of Computer Applications) and the importance of a CV. The session began with a warm welcome by our student Amisha Halarnkar, who presented the guest with a potted plant as a token of appreciation. Prior to this, Tammara D'souza gave a short introduction about the speaker. Mr. Harmalkar started his talk with an interactive quiz, where he asked students "Do you like?" questions related to the IT field. This engaging activity helped students assess their interests and set the tone for the discussion. Following this, he elaborated on various career opportunities available after BCA, including: Software Engineering Artificial Intelligence (AI) and Machine Learning (ML) Digital Marketing and Content Management Cyber Security And other emerging fields in the IT industry He further discussed the skills required for each field, the programming languages needed, and the job opportunities available. Additionally, he guided students on certificate</p>

	<p>courses that could enhance their qualifications and mentioned sources from where these certifications could be obtained. Mr. Harmalkar also spoke about different Master's degree options after BCA, emphasizing how certifications and higher education can significantly strengthen a CV. He highlighted that acquiring specialized certificates and pursuing a Master's degree can improve career prospects and increase job opportunities. The session concluded with a vote of thanks by Nathan D'Cunha, our TY student, who expressed gratitude to Mr. Harmalkar and the faculty members for organizing such an insightful session. Overall, the talk was highly informative and beneficial, helping students gain clarity on their career paths and understand the importance of building a strong CV.</p>
