Report	<p>The Eminent Alumni talk was organized by Botany department on 13th March, 2025 for the Botany students of F.Y.B.Sc., S.Y.B.Sc. and T.Y.B.Sc. in the botany laboratory. The Resource person for the talk was Dr. Aditi Naik, Assistant Prof. Botany Department, School of Biological Sciences, Goa University. The topic for the talk was “Botany Beyond Books – The Science that shapes our future”. The programme started at 9:45am. Dr. Suraksha welcomed the guest speaker Dr. Aditi Naik and Dr. Wendi Xavier’s HOD department of Botany, introduced the speaker. Dr. Harshala Shetgaonkar gave the token of appreciation ‘potted plant’ to the guest. The speaker spoke on different fields of botany touching upon taxonomy, tissue culture, genetics, histology, phycology, fungology, chromatographic techniques and nanoparticles. She spoke about Journal publications, patent, Techniques and Innovations in Botany.</p>

	<p>She discussed how a Green Future can capture the environmental effects on earth and how botany is important with respect to green future. Vote of thank is given by Dr. Suraksha, coordinator of the Alumni talk. Attendance was taken by Prof. Maria Fonseca and Dr. Seema D. Fernandes wrote the report writing.</p>
