Report	<p>Students of MC Course, History of Ecology and Environment in India, Commemorated 'World Nature Conservation Day 28th July' with a contribution of a potted plant, and a class presentation with a brief write up on the value of the plant and a slogan to highlight the importance of plants/trees to our Ecology and Environment. The plants were then given to the College gardener to plant on campus. The pro-Green Earth slogans put together by students in a collage were displayed on the campus for spreading the message</p> <p>The objective was to create a positive, practical, pro-green Earth approach in students to the need to promote Nature.</p>
