Name & details of Resource Person/s if any	
Report	The Department of Konkani of St. Xavier's College, Mapusa, organized an educational visit to All India Radio (AIR) Studio, Panaji and Gomantak TV Studio, Panaji on 7th October 2025 from 8:30 a.m. to 2:30 p.m. The visit formed a part of the practical component of the paper Electronic Patrkarita (Electronic Journalism). The activity was coordinated by Dr. Fr. Luis Gomes and Ms. Pranita Redkar. A total of 25 students participated enthusiastically in this educational activity. The visit aimed at providing students with first-hand exposure to the functioning of radio and television studios and to bridge the gap between theoretical learning and practical media operations. At All India Radio, Panaji, students were briefed about the history, structure, and objectives of AIR. They witnessed the recording and transmission process, visited the technical and recording sections, and interacted with the officials who explained the functioning of sound editing, news broadcasting, and programme scheduling. At Gomantak TV Studio, students were introduced to the world of visual media production. The staff members conducted an informative session on camera operations, lighting, sound, video editing, and live news presentation. The students observed the process of news compilation and telecast, gaining valuable insights into the coordination required behind the scenes.

	The visit proved to be highly enriching and informative. It helped the students understand the practical aspects of radio and television journalism, improved their awareness of media ethics and professionalism, and inspired many to consider careers in the field of electronic journalism.
