Report	A special session was conducted by Ms. Dakshata Zambulkar, Librarian, for the T.Y.B.Sc. Chemistry students on 31st July 2025 to familiarize them with the various library facilities and resources available. The session aimed to promote the effective use of the library for academic and research purposes. During the session, Ms. Dakshata explained the use of reference materials and demonstrated how to access e-resources, including online journals and databases. She also provided hands-on training on using journals effectively. Students were guided on how to search for books using the library catalogue and make use of study areas and digital services. The session was highly informative, helping students understand the importance of the library as a center for learning and research. It encouraged them to utilize available resources efficiently to enhance their academic performance and research skills. The event was well-organized and beneficial, fostering a greater awareness and appreciation of the library's vital role in supporting student learning and academic growth. The session was coordinated by Ms. Kathleen Pinto, Head of the Chemistry Department.
