Report	<p>The Department of Biotechnology, St. Xavier's College, Mapusa, organized a Field visit to Mr. Farmer Nursery, Guirim, Goa, on 22nd September 2025 for the SYBSc Biotechnology Batch I students. The visit was conducted as part of the practical syllabus for the paper "Modern Agricultural Practices and Home Gardening."</p> <p>A total of 13 students participated in the trip. They were guided around the nursery by Mr. Caraciol, a nursery staff member, who provided valuable insights into various plants, including their scientific names, common names, and uses. Students learned to identify different categories of plants such as showy plants, flowering plants, and fruiting plants.</p> <p>The students were accompanied by Ms. Jenica Rangel, Assistant Professor in Biotechnology. During the visit, they were encouraged to record observations on the plants studied, including their scientific and common names along with their practical uses.</p> <p>The trip was an informative and enriching experience, allowing students to connect theoretical concepts with practical knowledge. The visit began at 12:00 p.m. and concluded at 1:30 p.m.</p>
