Report	<p>The Department of Biotechnology, St. Xavier's College, Mapusa, organized a Field Visit to Dr. Ram Manohar Lohia Garden, Mapusa, Goa, on 6th October 2025 for the SYBSc Biotechnology Batch I students. The visit was conducted as part of the practical syllabus for the paper "Modern Agricultural Practices and Home Gardening."</p> <p>The students were accompanied by Ms. Jenica Rangel, Assistant Professor in Biotechnology. During the visit, students explored the diverse plant species present in the garden and recorded observations on their scientific and common names, habit, importance, and life span.</p> <p>The activity provided students with a hands-on understanding of plant diversity and helped reinforce theoretical knowledge through field-based learning. The visit commenced at 10:45 a.m. and concluded at 12:00 p.m., marking a fruitful and educational experience for all participants.</p>
