Report	As part of the academic curriculum of the Department of Bachelor of Business Administration (Travel & Tourism), St. Xavier's College, Mapusa organised a National study tour to Hyderabad from 11th to 16th December 2025 for the TY students, with the aim of providing students with practical exposure to tourism destinations, travel logistics, and destination management concepts. The tour was conducted under the guidance of 2 college faculty members and was supported by a professional tour guide from Travel Bug, who shared valuable information about the places visited and ensured smooth coordination of travel and sightseeing arrangements. The journey began with an overnight train travel from Goa to Hyderabad, followed by a well-organised itinerary that included visits to major religious, cultural, historical, and recreational attractions such as Birla Mandir, Nehru Zoological Park, NTR Gardens, Statue of Equality,Char Minar, Golconda Fort, Salar Jung Museum, and Lumbini Park. A major highlight of the tour was the visit to Ramoji Film City, where students gained firsthand knowledge of film production processes, stunt performances, special effects, and the functioning of entertainment tourism. Throughout the tour, students experienced group travel, observed tourism operations in practice, and developed a better understanding of how tourism activities are planned and managed. Overall, the study tour was educational, well structured, and enriching, successfully bridging the gap between theoretical learning and real-world experience while leaving participants with lasting memories and valuable insights into the tourism industry.
