Venue	Cansaulim
Name of organizing Department/Cell	Department of Computer Application
In collaboration with	
Name/s of Faculty Coordinator	Worrel D'Souza
Stratum of Event	Field Trip for FY and SY Students
Name & details of Resource Person/s If any	--
Report	**Field trip organized by the Department of Computer Applications** The Department of Computer Applications organized a field trip for the TYBCA and SYBCA Students to the village of Cansaulim The main intent of the field trip was to visit the village and capture photographs as part of timage capture in mUltimedia Their first destination was the Chapel of St. Lawrence in the village of Arossim, where they learned about the issue of "Double Tracking" and how the villagers protested against it, demanding an overpass bridge or some solution to help them move freely. The chapel was built in 1598 by Fr. Gonsalo Carvalho, who was the second

	vicar of the Church of St. Thomas at Cansaulim. The next spot visited was a small cross, which holds deep significance in the hearts of the villagers and offered a peaceful scenic experience. After that, we headed to the Temple of Shri Damodar, situated in Murdi, Cansaulim. It is a calm and serene place dedicated to Shree Damodar, an incarnation of Lord Shiva. Finally, they visited the famous Three Kings Chapel of Cansaulim, located on a hilltop with a breathtaking view of the surroundings. The trip was co ordinated by Mr. Worrel D'Souza and Mrs Rushita
