Report	<p>The signing of the Memorandum of Understanding (MoU) between St. Xavier's College, Goa, and Killowott marks a significant step towards strengthening academia–industry collaboration. This partnership will provide students with valuable opportunities for internships, live projects, and industry exposure, enabling them to apply classroom learning to real-world business challenges.</p> <p>Through structured placement initiatives, students will gain practical insights into emerging industry trends, particularly in areas such as digital strategy, branding, and business consulting.</p>

	The collaboration will also facilitate faculty–industry interaction, ensuring that academic curricula remain aligned with evolving market needs. Overall, this MoU will enhance employability, nurture entrepreneurial thinking, and prepare students for dynamic professional careers, while fostering a long-term relationship between the college and the corporate sector.
