Report	<p>The Bulletin Board designing competition was organised to create awareness among students about the fascinating and diverse world of microorganisms and their roles in our lives. This competition provided students a platform to showcase microbiology through a visual medium. It also sought to foster creativity, teamwork, and scientific curiosity. The boards were evaluated on creativity, content and visual appeal. A total of around 52 students participated in the competition, presenting a total of 19 bulletin board. The winners of the bulletin board competition were Ms. Shanvi Salgaonkar, Ms. Sancia Pereira and Ms. Aayushka Naik. The consolation prize was given to Ms. Sakshi Mirgal, Ms. Sakshy Mane and Ms. Siddhi Bugde. The activity promoted collaborative learning and enhanced the knowledge and understanding of the subject while improving communication skills through art. The bulletin boards also served as valuable learning resources for other students.</p>
