Report	<p>As a part of Converge 3.0 the TIP cell partnered with the Entrepreneurship Development cell of the college to host an Entrepreneurs Mentorship Lounge as a part of the pop-up bazaar – <i>Start-Up Street</i>.</p> <p>The objective of this initiative was to enable student entrepreneurs selling their items to develop sales and business skills with long term plans in mind. To this effect, Mr. Abhishek Singh, the incubation manager at AIC-GIM provided guidance and valuable insight into the creation of a business plan, scalability and financial backing available to young entrepreneurs. While few students came to the lounge and availed of his keen insights and also availed of the informative flyers displayed; Mr. Abhishek also took the initiative of visiting each stall and mentored the students as to the right pricing and value of collaboration over competition in this venture. This novel initiative was a step in the right direction to encourage entrepreneurship and startup mindset in youngsters.</p> <p>One of the most prominent outcomes of this event was the visibility of AIC as an avenue for entrepreneurship development and awareness of funding options in startups, and the finalization of a session to be held for business students on the holistic support system available to entrepreneurs under Niti Aayog ministry, GoI.</p> <p>Number of beneficiaries- 9 in lounge, approximately 75 in the stalls</p>
