Name of organizing Club	Nature Club
In collaboration with	NA
Name of Mentor & President	Mr. Conceicao De Souza Mr. Kush Kanthamraju
Stratum of Event	Intra – College Level
Name & details of Resource Person/s If any	NA
Report	<p>The Nature club conducted a nature treasure hunt to promote environmental awareness and sustainability among students. The activity was organized in alignment with the sustainable development goals (SDGs), particularly focusing on responsible consumption, climate action, life on land and sustainable communities. The aim of the activity was to spread awareness about nature conservation while encouraging teamwork, observation and problem – solving skills.</p> <p>A total of 07 teams (two members each) participated and solved eco-themed riddles placed at various locations in the campus. Each clue highlighted aspects of nature such as water resources, green spaces and flora within the campus. At every check point, teams collected an alphabet and finally formed the word “GROVES”, which represented the theme of the activity.</p> <p>Through this interactive treasure, the importance of sustainability and environmental responsibility was conveyed in an engaging manner. The event saw enthusiastic participation and active involvement from students. It successfully combined fun with learning. Such initiatives encourage students to become more environmentally conscious and actively contribute towards achieving the sustainable development goals in their day-to-day life.</p> <p>The Winners were: 1st Place: Russel Pereira and Ethan Castelino 2nd Place: Joel D Souza and Jason Fernandes 3rd Place: Chirag Bagkar and Ranjan Manrekar</p>
