<b>Report</b>	<p>Objectives:</p> <ol style="list-style-type: none"><li>1. To promote awareness about the Digital India initiative and its role in transforming governance, economy, and society through technology.</li><li>2. To encourage creative expression among students by integrating art with contemporary socio-political themes.</li><li>3. To foster critical thinking on the impact of digitalization on national development and citizen empowerment.</li></ol> <p>Brief Description: The Social Sciences Club of St. Xavier's College, Mapusa–Goa, organized a Poster Making Competition on the theme “<b>Digital India: Transforming the Nation Through Technology</b>” on 24<sup>th</sup> January 2026. The event aimed to encourage students to creatively express their understanding of how technology is reshaping governance, education, economy, and society in contemporary India.</p> <p>A total of <b>21 participants</b> enthusiastically took part in the competition, showcasing innovative ideas, artistic skills, and thoughtful interpretations of the theme. The posters reflected diverse perspectives</p>

	<p>on digital empowerment, e-governance, smart cities, and technological advancements contributing to national development. The competition was judged on relevance to the theme, originality, clarity of message, and artistic presentation. The event witnessed active engagement and healthy competition among students from various streams. Merit certificates were awarded to the winners. The programme was conducted under the guidance of Ms. Tricia Vaz e Borges, Mentor of the Social Science Club.</p> <p>Outcomes:</p> <ol style="list-style-type: none"> <li>1.Enhanced understanding among participants about digital governance, innovation, and technological progress in India.</li> <li>2. Development of creativity and communication skills through visual representation of complex ideas.</li> <li>3. Increased student engagement in current national issues, promoting informed and socially aware citizenship.</li> </ol> <p>Number of Beneficiaries: A total of 21 students participated</p>
