All the Science and Computer laboratories are well equipped with equipment/apparatus for the conduct of practicals as well as for innovative project work.

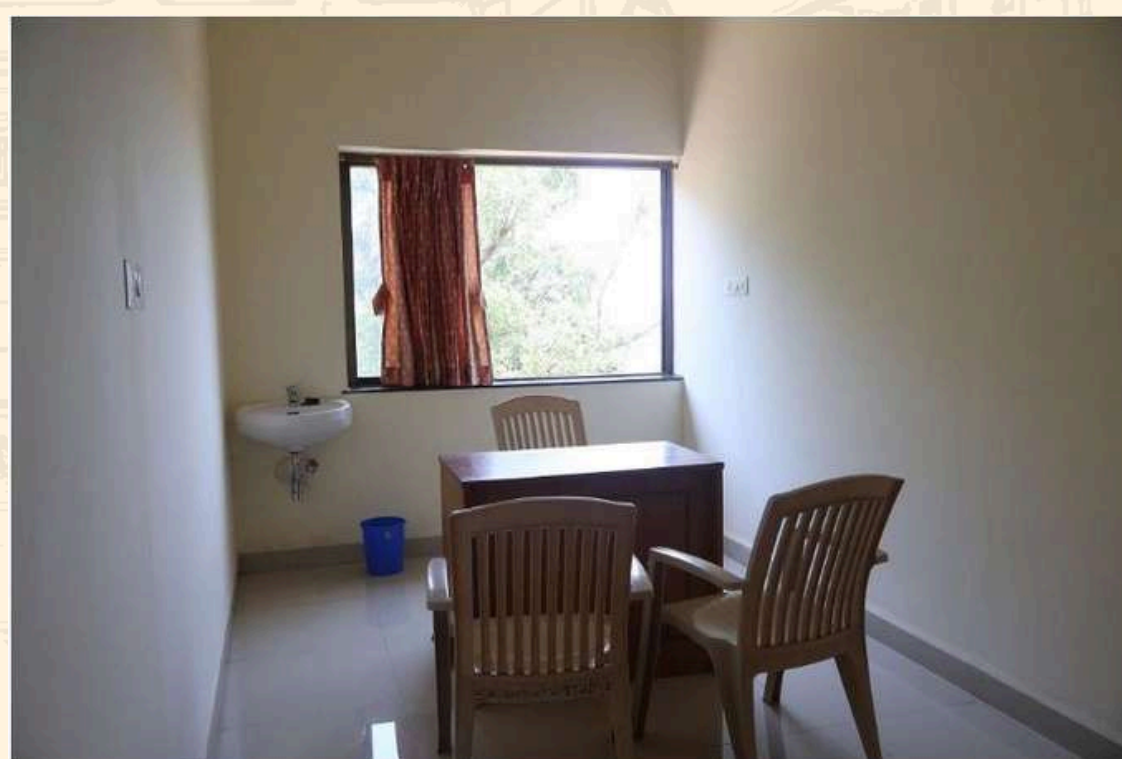

The College has 13 computer laboratories. In addition the language laboratory has specialized software for classroom teaching. The college has a subscription for 'Microsoft Teams' which facilitates online classes.

Nestled within the St. Xavier's College campus, the Crescendo Community Centre for Music and Crescendo Dance Studio provide a vibrant space for learning and teaching music and dance. This initiative nurtures and refines talent, fostering a lifelong passion for the arts.

The **Centre for Wellness** is established to create a healthy campus environment by promoting physical health, mental wellness and overall well being among students, faculty and staff. The Centre adopts a holistic, preventive and proactive approach, recognizing health as a key foundation for academic success and personal growth. The Centre also incorporates activities for overall well being of all stakeholders, parents, alumni and the local community.

The college features a state-of-the-art **Audio-Visual Studio** equipped with DSLR cameras, AVCHD camcorders, and professional audio recording facilities.

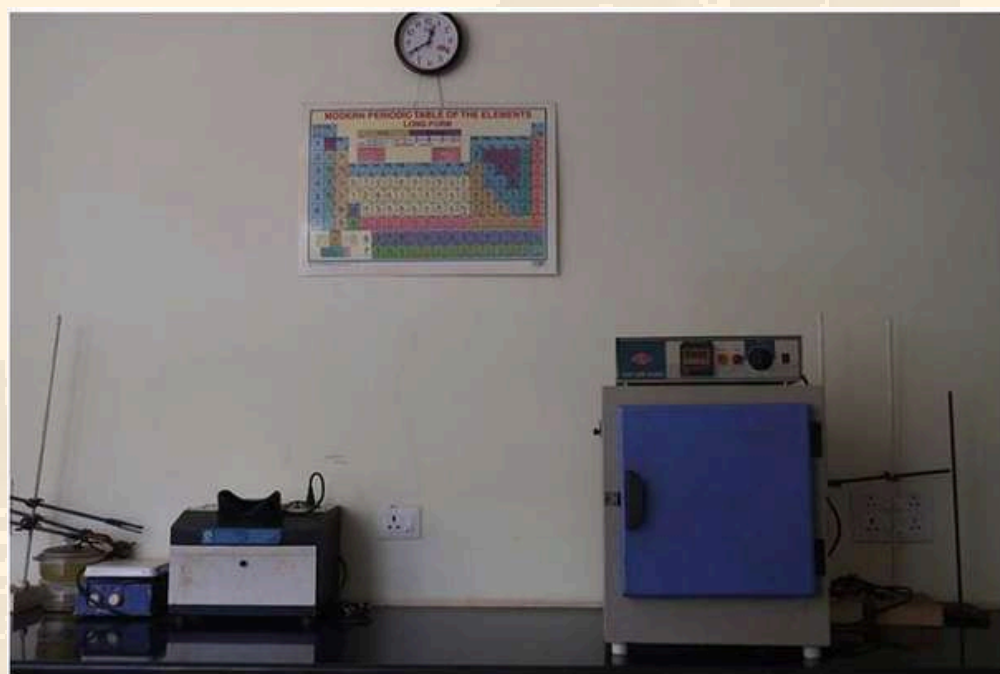

The Entrepreneurship and Innovation Hub encourages students to hone their entrepreneurial skills and start-up ideas. A dedicated space has been earmarked for the students to work on their ideas. Their participation at start-up events and workshops is also facilitated.

The **Instrumentation Centre** offers excellent facilities to carry out science based research work. Our Instrumentation Centre has sophisticated instruments wherein students as well as research scholars can work and carry out research studies. The major instruments are FTIR Spectrophotometer, UVVis Spectrophotometer, Gas Chromatography, HPLC, Cyclic Voltammeter, Flame Photometer, and XRD Facility. Some of the other instruments are Rotavapor system, Rotavap Chiller, UVcabinet, and Chiller system.

St. Xavier's College is the first undergraduate college in Goa to procure XRD Instrument for material characterization. The X-Ray Diffractometer is purchased from Rigaku Corporation International Marketing Division, Japan through UGC's College for Potential Excellence Scheme.

Under **DBT Star College Scheme**, the college has procured state-of-the-art equipment such as UV Visible Spectrophotometer, Solvent filtration apparatus, interactive smart boards, countertop steam sterilizers, gel imaging systems, Microcentrifuge, Immuno-electrophoresis unit, Frank-Hertz apparatus, and KBr Press for FTIR as well as advanced software like Matlab. All the science departments have further strengthened their laboratories by increasing the number of basic instruments such as conductivity apparatus, electrophoresis units, galvanometers, cathode ray oscilloscopes, incubators, digital muffle furnaces, microscopes, and colorimeters with the aim of facilitating hands-on training for the students.

St. Xavier's College is a part of the **Cluster Research Centre** under initiatives of DHE-Goa. The Centre has all modern amenities and has sophisticated instrument facilities. It is housed in the Post Graduate Block E. The Research Cluster has recognized Ph.D. guides in the disciplines of Commerce, Mathematics, Geography, and Chemistry. Currently, a total of 17 research scholars is pursuing their Ph.D. under these guides, registered with Goa University: 7 in Commerce, 3 in Mathematics, 4 in Chemistry, and 3 in Geography.

GARDENS

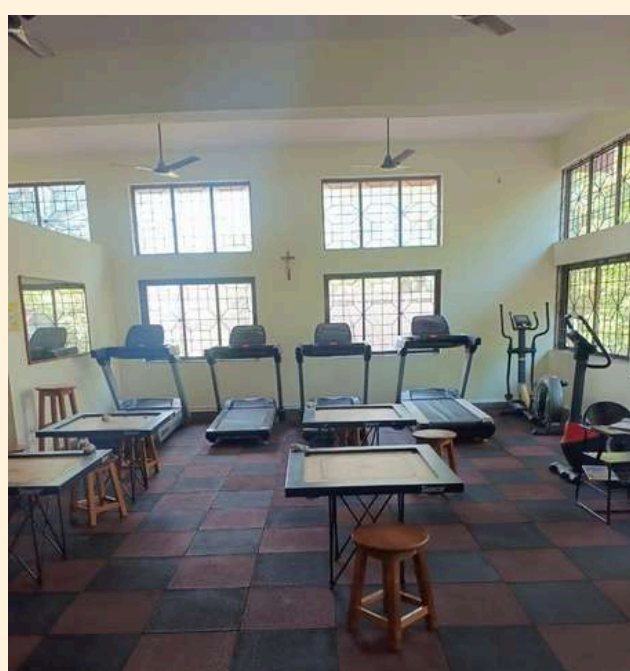

The College gardens occupy a total area of nearly 1000 sq. mts. At the entrance, a life size statue of Our Patron, St. Francis Xavier welcomes one and all. The Dr. Mariano Saldanha Lawns on the campus play host to a wide range of activities. We also have a rock garden, the college emblem laid out in colourful plants. In addition to this, the campus gardens house a variety of ornamental plants, avenue trees and around 150 fruit bearing trees. Name plates are put for the trees with their Botanical name and common name. The college has a greenhouse named after Fr. Edward de Cruz our first Principal. Tree plantation drives are conducted annually. As a green initiative, a kitchen garden with vegetables like radish, Spinach, chillies, maize, brinjal, watermelon are cultivated. A medicinal plant garden which houses 23 different medicinal plants is another green initiative of the college and named as Fr. Ivo Mascarenhas Medicinal and Aromatic plant garden. The garden and the campus are illuminated at night with power from solar energy.

An additional attraction of St. Xavier's College Campus since 2018 is the beautiful Orchidarium laid within a well-designed heritage landscape. It has an amazing collection of orchids including rare ones giving a lot of delight to observers.
