Report	<p>The Department of Computer Applications successfully organized a State Level Workshop on 20th March 2026, from 10:45 a.m. to 1:45 p.m. The workshop was based on the theme “Character Design ” .It was coordinated by Ms. Aquilla Afonso of the BCA Department and attended by 35 students.</p> <p>The resource person, Mr. Sanket Lawande, a caricature artist, illustrator and teacher .Mr. Sanket conducted an engaging session introducing students to the fundamentals of character design. The workshop began with an overview of character design followed by an analysis of popular animated characters, focusing on their universal appeal and the importance of shapes in defining personality.</p> <p>Students were introduced to basic shapes such as squares, circles, and triangles and how these influence character creation. The concept of shape language was explained, highlighting how shapes convey</p>

	<p>emotions and traits.</p> <p>The session also covered key drawing fundamentals, including thumbnail sketching, shape variations, simplicity, clarity, line flow, and the use of exaggeration and caricature techniques. A live demonstration helped students understand the practical application of these concepts.</p> <p>The workshop concluded with a hands-on activity, where students designed a 3D character using inanimate objects like lamps, chairs, laptops, and stationery, using pencil shading or colors.</p>
