Report	"Operation Abhyaas" was a nationwide civil defense mock drill conducted on May 7, 2025, to test preparedness for emergencies, including hostile attacks. In Goa, the drill took place at multiple locations, with the Goa Glass Fibre LTD in Colvale being one of them. The exercise was prompted by rising national security tensions following a terror attack in Pahalgam, Jammu and Kashmir, on April 22, 2025. 10 cadets participated in the activity.
