This We Believe

We Believe in God.

We believe in human dignity and brotherhood.

We believe in the spirit of discipline and dignity of human work.

**We believe that men and women are born with equal rights
which do not come from the state.**

We believe in the sanctity of the family- the basic unit of society.

We believe that citizens not only have rights, but also duties.

We are opposed to all sorts of violation of individual liberty and private property.

**We believe that liberty is a sacred thing,
but that law which regulates liberty is a sacred obligation.**

**We believe that academic freedom should not be used
as a pretext to teach systems that destroy all freedom.**

**We are vigorously opposed to the tenets and tactics of those
who want to destroy the essential liberties guaranteed by the Indian Constitution.
We are vigorously opposed to all forms of racism, communal hatred and anarchism.**

**We believe in the teachings of Christ, we hold that morality must regulate
the personal, familial, economic, political and
international life of people, if civilization is to endure.**
