Report	Report on 'Speak! Write! Succeed!' Sessions The Public Speaking and Oratory Club conducted a series of interactive sessions titled 'Speak! Write! Succeed!' as part of the Student Induction Programme organised by the college for First-Year students. The sessions were held on 25 June, 1 July, 9 July and 10 July, covering students from all streams across the college. 9 student members of the club facilitated the sessions under the guidance of the club mentor, Dr. Prema Rocha. The sessions were conducted simultaneously for the First-Year classes on Day 3 of the weekly induction programme, with each session lasting one hour. The programme commenced with the First-Year Commerce stream, followed by Arts, Science, and the Self-Financed courses—BBA, BBA T&T and BCA. The student facilitators were organised for 4 divisions. Division 1 was handled by Reyes Barretto, Rylan Almeida and Allison Pereira; Division 2 was handled by Kelly Fernandes and Sumaiya Khan; Division 3 by Leroy Monteiro and Crescent Reddy; and Division 4 by Xavier Lobo and Saniya Phadte. The sessions began with introductions and ice-breaking activities designed to establish rapport with the freshers. The facilitators then addressed four key areas: English Speaking, Writing, Letters, and CVs. Through presentations, games, practical examples and situational activities, they highlighted the importance of effective communication and language skills in academic,

	professional and everyday contexts. The First-Year students participated enthusiastically in the activities and discussions, demonstrating keen interest throughout the sessions. The programme concluded with an interactive question-and-answer session, providing students with an opportunity to clarify their doubts. Overall, the 'Speak! Write! Succeed!' sessions successfully introduced First-Year students to essential communication and articulation skills, while fostering confidence, participation and meaningful interaction during their transition into college life.
