Report	St. Xavier's College organized a comprehensive six-day Student Induction Programme (SIP), stream wise for its incoming First Year students during months of June and July 2026. The program was strategically designed to ensure a smooth transition into college life, while equipping students with essential academic, personal and required soft skills. During the Induction Programme, the College Administrator Fr. Antonio Salema, welcomed the students. The Principal, Ms. Ursula Barreto outlined the core objectives of the SIP, encouraging students to focus on three pillars: to know, to bond, and to enrich. Throughout the week-long induction for all streams, students engaged in a variety of interactive sessions. These included an informative Campus Tour, Workshops on Universal Human Values, Self-Awareness and Emotional Resilience, alongside with Peer-bonding activities through games, song and dance. Academic sessions were held to help students navigate the respective programs under NEP, clarifying the Curriculum Structure and Examination System. To strengthen baseline competencies, the program featured bridge sessions covering Vedic Maths, English Communication, Health and Well-being, and Digital literacy. Students were introduced to the vibrant extracurricular landscape, learning about opportunities within Sports, NCC, NSS, and various Cells and Clubs. Skill Development workshops on Effective Communication, Teamwork, Time management, Stress Management, and Goal Setting further enriched the experience. By bridging the gap between HSS and College, the SIP allowed students to connect deeply with their mentors and peers from day one. The program succeeded in fostering confidence and a strong sense of belonging, ensuring that the new Xavierites are fully prepared to

	leverage the resources and opportunities awaiting them at St. Xavier's College.
