Stratum of Event	College/ State/ Regional/National
Name & details of Resource Person/s if any	N/A
Report	The Cell for Promoting Inclusion and Diversity (Divyangjan), St. Xavier's College – Goa, in collaboration with COOJ Mental Health Foundation, organised a Special Bombolones Bake Sale on 13 August 2026 at the College Lobby. The activity was planned as an inclusive community initiative that brought students and members of the college community together through a simple and engaging fundraising activity. Freshly prepared bombolones were offered for sale during the event, attracting enthusiastic participation from students and staff. Beyond the bake sale itself, the activity provided an opportunity to promote inclusion, empathy, dignity and meaningful participation of persons with disabilities and diverse needs. The collaboration with COOJ Mental Health Foundation further strengthened the activity's focus on mental health awareness and social inclusion. The event encouraged students to support an initiative that combined community participation with a social purpose. It also helped create greater awareness of the importance of building an inclusive and supportive campus environment. The activity successfully demonstrated how collaborative, student-friendly initiatives can contribute to inclusion, community engagement and social responsibility, while fostering a spirit of empathy and solidarity within the college community.
