Report	The AICUF Cell of St. Xavier's College, Mapusa, hosted REVIVE, a faith-based programme for college students, on 14 September 2026 at the Seminar Hall. The programme commenced with registration, a welcome and breakfast, followed by an opening prayer led by Lizanne D'Souza. This was followed by a mime presented by Cia Fernandes and student testimonies, which provided an opportunity for participants to reflect on their faith and personal experiences. A lively Praise and Worship session and a Cross Talk further encouraged prayer, reflection and spiritual renewal among the students. The programme continued with a time of fellowship and refreshments, followed by slow music and another Praise and Worship session. Engaging games conducted by Delilah brought energy and enthusiasm to the

	gathering, encouraging interaction and fellowship among the participants. The event also featured the meaningful activity “A Message Meant for You,” which offered students an opportunity for personal reflection and a deeper connection with their faith. The musical segments were supported by the band led by Jassiel, while the Dance Ministry was led by Villa and Pearl. The programme was compered by Ria and Rachel, who guided the event throughout. REVIVE concluded with a closing prayer led by Valric. Coordinated by the AICUF President, Gresal De Souza, the programme successfully brought college students together in an atmosphere of faith, fellowship, worship and reflection. Through prayer, music, testimonies, creative presentations and interactive activities, REVIVE created a meaningful space for students to pause from their daily routines, strengthen their spiritual connection and build a sense of community. The event reflected AICUF’s commitment to nurturing faith and encouraging young people to grow through shared experiences, prayer and fellowship.
