Report	Anti-Ragging Awareness Session (Held on 05th October 2024): An Anti-Ragging Awareness Session was organized on 5th October 2024 at Xavier's Ark and was attended by 589 students. The Resource Person, Advocate Eeshan Usapkar, delivered an impactful and engaging session on the meaning, forms, and legal implications of ragging. He began by interacting with the students and later used informative video presentations to clearly illustrate who commits ragging, its psychological and legal consequences, and how it can escalate if left unchecked. His presentation helped students connect with the seriousness of the issue. Before the session, Advocate Eeshan Usapkar also held a meeting with the Anti-Ragging Committee and Squad, offering valuable inputs on strengthening institutional mechanisms to prevent ragging on campus. He emphasized the importance of the UGC Regulations 2009 and highlighted the legal consequences of violating the Anti-Ragging Declaration signed by students. The helpline numbers and email support were shared for student reference. The session concluded with a resounding message of zero tolerance, mutual respect, and collective

	responsibility for a safe campus environment. • No cases of ragging were reported on campus this academic year. • Students submitted mandatory online Anti-Ragging Declarations at the time of admission, ensuring compliance. • The Committee coordinated the Anti-Ragging Awareness Session at the start of the academic year. • Information on Anti-Ragging policies was included in the College Handbook and reiterated during student orientation. • Vigilance was maintained throughout the academic year with surprise checks by the Anti-Ragging Squad. • A culture of peer support and responsible student behaviour was encouraged by reinforcing the anti-ragging message during mentor mentee sessions.
